Lead Sec. 508, WCAG, Web, and Digital Accessibility Specialist**

SUMMARY

Lead Web Content, Lead Front-End Developer, and Lead Digital Accessibility Specialist with extensive experience developing accessible, standards-compliant websites, E-learning content, and digital documents for enterprise, education, financial services, and government organizations. Expertise includes WCAG 2.2 AA/AAA, Section 508, PDF/UA remediation, HTML, CSS, JavaScript, and accessibility testing using industry-standard tools. Recognized for leading accessibility initiatives, collaborating across cross-functional teams, mentoring colleagues, and delivering high-quality digital experiences that meet compliance standards.

CERTIFICATIONS

Criminal Justice Information Services and Privacy Training Certified

ABOUT ME

I'm all about beach vacations, reading, creating things, cooking/baking, and spending time with my family; including my pets. I enjoy hiring a remodeling crew so that I can come in after and create a custom home space with home decor/paint. I excel at creating peaceful, welcoming, and airy home auras.

WORK EXPERIENCE CONTINUED

Web Developer | Multimedia Designer 01/17- 04/17

Colorado Textile

- Developed and maintained a custom WordPress website with integrated product-ordering functionality to streamline the customer purchasing experience.
- Implemented SEO strategies and analyzed website metrics to increase visibility, traffic, and customer engagement.
- Modified and prepared artwork files for prepress production, ensuring accuracy and print-ready quality.

Multimedia Designer | User Experience Designer |

Brand Developer, Photographer

01/10 – 04/17

Brand 44 Trading

- Designed and developed responsive websites and HTML email campaigns with cross-browser compatibility.
- Created intuitive user experiences emphasizing usability and visual design.
- Designed product branding, packaging, retail displays, and marketing collateral.
- Produced photography and digital assets supporting marketing initiatives.
- Collaborated from concept through production, delivering cohesive visual solutions aligned with business objectives.
- Combined graphic design, web development, and user experience expertise to support successful launches.

EDUCATION
